## About Kids Helping Kids Leadership Academy, Inc.

Kids Helping Kids is a 501(c)3 nonprofit organization Founded in 2007 by a then 10 year old boy, Tyler Page. Feelings of sorrow overcame him while watching an episode of Oprah on child trafficking where Tyler learned that children as young as 4 were being sold by their own parents into fishing slavery for as little as \$20. When he learned that a mere \$240 would keep one child out of those horrible conditions for an entire year, that sorrow quickly turned into hope and by the end of the show a dream was born. His mission was clear and determination took over as he rallied his classmates and friends to join his efforts in having a community carwash at his elementary school three weeks later. The \$240 dream to "save a child" was attained when that carwash raised nearly \$1,200. To date they have raised over \$145,000 for kids locally and across the world. Today, Kids Helping Kids is committed to empowering youth ages 5-18 yrs through moral integrity, value and civic based leadership curriculum, cause-based hands on experiences in fundraising to achieve relevance, and retention engagement. Kids ideas to help disadvantaged children globally is the reason they exist. Founded by a 10 year old and fueled by kids' heart-felt compassion, they are leading the way by being the change they want to see. Their leadership academy meets the 2nd Wed. of every month from 6:30-8pm at REI at The Streets of Brentwood, 2565 Sand Creek Rd., Brentwood 94513.
